TICKETING/WRISTBAND FAQ

Can tickets be purchased?

Sip & Shop is sold out for both Friday and Saturday.

Where can I pick up my tickets/wristbands?

All wristbands will be given at glassware pickup located at Park On Main. You must bring a printed copy of your barcoded ticket. Tickets will be scanned and we will assist you with putting on your wristband. No wristbands will be given without a ticket.

What if I have Weekender Passes?

Weekender Passes do not include participation in the Sip & Shop

What if I lose my wristband?

Do not lose your wristband – these are *not replaceable*. Individuals not wearing a wristband will not be allowed to partake in wine or food, no exceptions. The plastic security lock on the wristband is a one-way lock. Do not play with this lock to tighten the band too much. **No wristbands will be replaced.**

How do I put on my wristband?

1. Place wristband around wrist
2. Hold two loose ends of band tight
3. Move the sliding lock toward your wrist until there is a “two finger” space between the lock and your wrist.
4. Keep wristband on until the end of the event and do not play with the sliding lock to keep a comfortable fit.

***Treat your wristband like cash – lost, stolen, tampered with, and/or confiscated wristbands will not be replaced!**
